Mobilization of Funds and optimal utilization of Resources

The College is a self-financing, private unaided technical institution and main source of income is through students' fees. The annual fees recovered from the students are reflected on the College website and also the website of the Telangana Admission and Fee Regulatory Committee (TAFRC) which is a statutory body constituted by govt.of Telangana vide G.O.RT.No.160, HE Dept., dt:22.07.2015 responsible for fee fixation.

The college is recognized by UGC under 2(f), and faculty members regularly apply for research grants from different government bodies like AICTE, DST, SERB, and UGC. The faculty members further mobilize funds through consultancy services.

As and when, the institution experiences shortage of funds; funds would be generated as a loan from Vyjayanthi Educational Society which is a non-interest bearing fund. Occasionally, institution also raises interest-bearing loans from Banks for smooth functioning of the institution.
