6.2.2

AN AGREEMENT made on this 19th October, 2016 BETWEEN M/s VolkSoft Technologies Private Limited (herein after referred to as "Vendor") having its registered office at Plot No.9, Krishnapuri Colony, West Maredpally, Secunderabad 500 026, of the one part

AND

Sree Dattha Institutions, sponsored by Vyjayanthi Educational Society (herein after called as "Client") having its office at Sheriguda, Ibrahimpatnam, Ranga Reddy District - 501 510, Telangana, India of the other part.

WHEREAS

1. The Vendor is inter alia dealing in software products for Educational Institutions and is willing to offer their services.
2. The Client has following College(s)
 - Sree Dattha Institute of Engineering & Science
 - Sree Dattha Group of Institutions – Integrated Campus – Engineering & Management
 - Sree Dattha Institute of Pharmacy
 - Sree Dattha Institute of Engineering & Science – Polytechnic
 - Brindavan Institute of Teacher Education
 - Sree Dattha Brindavan Institute of Teacher Education

and shown interest to avail the services and has expressed their consent to accept the terms & conditions of the Vendor.

NOW THIS SERVICE CONTRACT WITNESSES as follows:

Nature of Service:

Vendor is hosting a Central Server(s) at a Data Center(s) to store and maintain the data to enable schools/colleges to automate their administration activities. Vendor is facilitating the Client to connect/access to the Central Server to store, view, print and modify the data related to their Organization(s). By accessing the data Client can perform the activities related to their subscribed modules. These facilities are clearly mentioned under Subscribed Modules Section.

Ch.No. 587 819 / ATS / 02/11/2016 / SPES - 80,000/-

For VYJAYANTHI EDUCATIONAL SOCIETY

Subscribed Modules:

- Student Master
- Staff Master
- Admission Process
- Fee Management
- Student Attendance
- Staff Attendance & Leave Management
- Accounts Management
- Lesson / Teaching Plan
- Vehicle Management
- Scholarship Module
- Lab Inventory *
- Canteen Inventory *
- Inventory Module
- Placement Module
- Hostel Module
- SMS Module
- Related Reports

* Note: only to maintain inwards & outwards

Contract Price:

Pricing model will be based on no of students studying at the institute and/or number of students registered and/or active in the database from the institute. Subscription charges are Rs.10/- (Rupees Ten only) per student per month or minimum Rs.40,000/- (Rupees Forty thousand only) per month or whichever is higher.

Rs. 80,000/- will be charged as onetime server setup cost. Existing students and staff master data will be converted free of cost.

Above all amounts are exclusive of all taxes and all the relevant taxes will be applicable over and above the quoted amount.

Hardware Specifications/Requirement for Nodes: Any computer that supports browser application with Internet connection with minimum bandwidth of 10 mbps. The browser should be adobe flash player plug-in compatible. To implement SMS feature, Client need to subscribe with third party providers recommended by the Vendor.

Configuration:

Vendor will create and configure client branch/campus accounts on server computer(s). In the event of client site visit, Client must reimburse expenses like conveyance, traveling, lodging & boarding on actuals.

Implementation:

The system will have a centralized database(s) hosted at a Data Center.

Training (Train the Trainer):

After installation Vendor would provide comprehensive onetime, on-line training to Client staff members for a period of 20 (Twenty) days only. In case of Client site visit, Client must reimburse expenses like conveyance, traveling, lodging & boarding on actuals. Further training will be provided on charges basis at Rs. 1,500/- (Rupees One Thousand Five Hundred only) per day. This amount is exclusive of all taxes and all the relevant taxes will be applicable as per the norms at the time of actual billing.

It is strongly recommended to Client to appoint a system/software administrator to handle training calls & support issues, so that on need basis, the person can coordinate various departments of the organization to handle complaints, if any.

Product Support:

Technical support will be provided free of charge on all working days, except second Saturday, during office hours during the contract period from the date of activation and this is subject to active subscription and subscription amount is being paid.

For VYAYANTHI EDUCATIONAL SOCIETY
Client
RY/CORRESPONDENT

On-site support will be provided on charge basis. In the event of client's location/site/branch visit Rs. 1,500/- (Rupees One Thousand Five Hundred only) per day will be collected. This amount is exclusive of all taxes and all the relevant taxes will be applicable as per the norms at the time of actual billing.

Customization to Product:

EzSchool has been offered as a product and should be used as it is. If any customization is required in functionality or reports, the same can be provided at extra cost. Detailed Time & effort estimation will be submitted based on requirements from time to time.

Payment Details:

Client subscription will be activated from October 2016 and the subscription charges would be applicable from November 2016 onwards. One year subscription amount should be paid as advance in two instalments along with the One time Server setup cost towards server facilitation and resource allocation.

Subsequent billing will be done on yearly basis along with applicable taxes and the billed amount needs to be paid as advance in two instalments.

License & Trade Marks:

Subscription of EzSchool® comes with a single corporate license, means Client may configure and use for Sree Dattha Institutions sponsored by Vyjayanthi Educational Society as stated in the pedigree institutions only. For using and/or configuring more than one organization/database client must subscribe additional licenses for each organization. For using more than specified/subscribed branches additional setup/maintenance charges will be applicable as per the policies/norms of the Vendor from time to time. Three years data will be maintained in the server and summarized data will be provided in the server for a period of three years (three passed out batches) as part of the deal. Student data, attendance, exam marks and fee data can be provided in csv format for backup purpose.

Services would be provided on subscription basis till the Client account/services are active and subject to subscription payment & agreement. Minimum lock-in/subscription period would be three years (3) from the date of operations and renewable after the due period. Client and Vendors should be open for pricing negotiations based on market prices.

EzSchool™ is the registered trade mark of VolkSoft Technologies Pvt. Ltd in India under Trade and Merchandise Act 1958 and Trade Marks Act, 1999. This product is being offered to use for own purpose and this cannot be transferred to any other entity. All the IP rights will be held by the Vendor and by offering/selling this product/services Vendor is neither transferring the IP rights nor committing to do so in future. EzSchool™ services have been offered as a 'generic product' and the customization of the 'generic product' will not be done and the software should be used as it is. All other brand names and product names mentioned herein are also trademarks of their respective owners.

Termination of Contract:

In the event Client decides to discontinue the services offered by Vendor, Client is required to intimate the same in writing on/or before three months to such deactivation after the lock in period. On request, Data will be provided in a csv format or masters data will be provided in spreadsheet. All the outstanding dues should be cleared before the deactivation and prior to data submission.

Limitation of Direct/Indirect Liability:

Neither Party will be liable under this agreement for lost revenues direct or indirect, special, incidental, consequential, exemplary, or punitive damages, even if the party knew or should have known that such damages were possible and even if direct damages do not satisfy a remedy.

For Vyjayanthi Educational Society

RESPONDENT

Limitation on Amount of Liability:

Neither Party will be held liable under this agreement for more than the amount paid by client to the Vendor hereunder during the twelve months prior to the event giving rise to liability.

Limitation on Data Liability:

In the event client decided to discontinue the services offered by the Vendor, client required to intimate the same in writing on or before one year prior to such deactivation. On request, Client Data will be provided in a csv format and/or masters data will be provided in spreadsheet. All the outstanding dues should be cleared before the deactivation and prior to data submission.

Confidentiality:

The accessibility of Vendor relating to the data of the Client shall not in any manner whatsoever made available or disclosed to any parties other than the persons authorized by Client and any violation thereof shall result in immediate termination of the agreement.

The term "Confidential Information" does not include Information which:

- a) Is or becomes available to the public other than as a result of a disclosure by the Vendor or its Representatives.
- b) Was known to the Vendor or its Representatives prior to its disclosure under this Agreement.

Nothing in this Agreement shall restrict disclosure by the Recipient required by:

- a) Law.
- b) Rule or regulation of any applicable bank or regulatory agency, or governmental agency or supervisory or regulatory authority.

The amount of damages that the Client may claim under this clause shall not at any time exceed the extent of amounts paid by the Client to the Vendor during the period of the financial year in which the breach has occurred.

Server/Data availability:

The Application/Data is hosted with the data center, currently with CtrIS. Data server availability would be as per the SLA provided by the Data Center. Copy of the SLA would be provided on request. Application uptime almost depends on the uptime of the data center, during the maintenance activity (backup and version upgrade) server/data may not be available for short durations, however this will be well intimated to the client by email. Vendor has right to shift the data center at any time if the current service provider is found to be not feasible.

In case of a problem with the data center then the client should support the vendor. A subset of system & human resources will be allocated by Vendor to a Client, however, if dedicated server and resources are required by the Client then it is chargeable.

Exception to Limitations:

These limitations of liability apply to the fullest extent permitted by applicable law but not more than the amount received by the vendor in a year in which that instances occur. These limitations of liability apply to the fullest extent permitted by applicable law but do not apply to breaches of violations of a party's Intellectual Property Rights by the other party, or indemnification obligations.

Indemnification:

In the event of any failure of the product / module supplied by the Vendor the amount of loss/damages that the Client may claim shall not at any time exceed the extent of amounts paid by the Client for the product / module to the Vendor during the period of the financial year in which the loss/damage has occurred.

Validity, Jurisdiction and arbitration:

The contract is valid for Three Academic years from the date of subscription/activation. An explicit written confirmation will be given by the Vendor in all cases of extension for the same. All disputes arising out of the contract shall be subject to the jurisdiction of the courts at Secunderabad, Telangana State, India.
