PARENT TEACHER MEETING

A Parent-Teacher meeting is organized twice a year with an objective to bring the institute and home together for uplifting of students as well as institute by maintaining harmonious relationship between parents and teachers.

It is intended to facilitate the parental participation in an institute. The aim is to involve parents in students' education. The key objective is to bring in the closer relation, the institute and homes, where parents and teacher may co-operate, support learning, provide ideas in the education of students. The focus is more on the parents who work away from the home and who are from culturally diverse families.

Before the meeting parents are informed one week before by a circular through their wards about the day, time and place of meeting. All the required file folders of each students work, behavior, academic progress is prepared and collected by the class teacher /mentor.

During the meeting parents are greet in a positive manner and provided academic information like class attendance, class room performance, class test and midterm exam performance, semester exam result their wards. Additional information, ideas and suggestions are invite and obtain from parents for better performance.

After meeting a feedback is taken from the parents about the institute and the problem associated or face by their wards in academic are noted and remedial measures are taken to sort out the problem.

Parents are also allowed to contact with Principal/class teacher/mentor by phone or meeting to know about academic performance and improvement of their wards.
