Code of Ethics to Check Malpractices and Plagiarism in Research

Research :-

Ethics and plagiarism are the significant components in the research and publication. Sometimes it is observed that researchers claim others work as their own, which will degrade the reputation of the individual institution.

- One ethics committee has been formed comprising of all PHD holders of the institute to assess the faculty researcher / PG students / UG students who produce their work in the form of Research Publication / Research Proposal / Thesis Work (PG)/ Project Report.

- Especially the research work of faculty / PG students in the form of papers / projects must go through the process of plagiarism and has to maintain high academic and production standards.

- Apart from this the committee take extra measures to ensure that the work is at par with the national / international standards.

- The links for online plagiarism checking software are available in college website. All faculty researcher seeking for paper submission are requested to submit the plagiarism report (maximum 15%) along with the paper to the committee for review. All PG students are made compulsory to submit plagiarism report (Maximum 20%), no objection from guide and co-authors to get their project work approved for publication / thesis presentation.

- Any violation of the rule and other issue, complaints regarding plagiarism attracts disciplinary action to be imposed by committee within one month from the day of complaint.

- The committee comprises
    1. Principal
    2. Vice – Principal
    3. Coordinator R & D
    4. HOD of Respective Departments
