- 1. Title of the activity:** Haritha haram
- 2. Date and Venue:** 3rd July 2023 and Venue is Sheriguda.
- 3. Objective of the program:** To bring awareness on plants and trees and to replenish the forest blocks around major cities in the State.
- 4. Description and Outcome of the program:** A total of 25 students and 15 faculty has participated in the event and planted nearly 350 plants across the Sheriguda. Students and faculty have started planting plants near their homes to reduce the pollution and save the environment. Natural vegetation forms an integral part of the ecosystem and its elimination or endangering would create massive imbalances in the environment leading to a massacre of natural calamities. Plants are the source of food to many animals on this earth and are an essential component on life sustenance on this earth. It is in the beginning of each food chain which makes plants of paramount importance for the survival of species. Because of its root connection with the soil, plants absorb groundwater and transpire it into the atmosphere thereby not only cooling it but also increasing the moisture content in the atmosphere and subsequently causing rainfall

3. Objective of the program: To celebrates to commemorate the signing of the Universal Declaration of Human Rights

4. Description and Outcome of the program: International Yoga Day is celebrated on the 21st of June each year. It was Prime Minister, Narendra Modi who gave the proposal to observe this day as International Yoga Day. Practicing yoga is one of the ways to grow into a better human being with a sharp mind, a good heart and a relaxed soul. Total 51 Students of our college have participated in this event and they feel that it is very useful for their lives. A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily, in both, body and the mind. Yoga postures, Pranayama and meditation are effective techniques to release stress. Meditation is relaxation and rejuvenates the body and mind.
