b.COUNSELING:

The Institute provides professional assistance and guidance to female students in resolving personal or psychological problems. We have mentor system where by the female mentors appointed to female students under the institute mentoring program to understand and solve students' issues. Each staff member is assigned as mentor for fixed number of students. Monthly meetings are conducted to counsel the mentees. The objective of personal counseling is to understand the issues which a student may hesitate to speak communally

Student counseling

In addition to this,. Each mentor guides around fifteen girl students from the inception of the program. The mentor interacts and supports the assigned mentees resolving all their issues. Grievance and anti-ragging committees help the students to communicate directly with the concerned authorities. Class representatives or office bearers are appointed without gender bias. Women's Redressal Grievance Committee is in place to address the issues of female staff and students

D. DAY CARE CENTRE FOR YOUNG CHILDREN

To reduce the burden of working women and to provide emotional and social support, SDIP has been striving to provide all comforts/. The need for day care center is being recognized with increasing women employees .In this regard SDIP has taken the initiative and has established the Day Care Center in the premises only to support the women staff.

Taking into account the need and convenience of the staff, the daycare center will be opened from 9:30 AM to 5:30 PM. The daycare center has been managed by two efficient and trained caretakers who seek to fulfill the comfort of children according to their needs. The daycare center has ample amenities, hygienic, healthy , furnished, stimulating environment, with a safe setting. The day care has also been supplying the children with primary learning settings along with recreational activity and a play area.
