GREEN CAMPUS POLICY DOCUMENT

SDIP initiated Green policy with a motive of prevention of pollution by minimizing the generation of wastes wherever possible, reducing consumption, recycling materials, and disposing of wastes in an environmentally responsible manner. SDIP is committed to protect public health by conducting our operations and activities in an environmentally responsible and sustainable manner, with all applicable laws and regulations. We recognize that reducing and, where possible, eliminating the environmental impacts of our activities is an important and focuses on

- Conservation of energy and other natural resources
- Encouraging employees to use mass transit. College provides bus facility for staff and students
- Reduce, reuse, and recycle to reduce waste
- Minimize the production of hazardous waste
- Adopt green procurement practices
- Continue to review and minimize the impacts of our activities on environmental sustainability and economic viability options

Energy Conservation:

Electric and electronic appliances are turned off when not in use. Energy saving Ledbulbs are used wherever possible.

Email: principalsdip@sreedattha.ac.in,www.sreedattha.ac.in

Reduce, Reuse, Recycle:

Paperless office was maintained as much as possible Most of the official communications were done through bulk sms , Emails and other social media. For printing, wherever possible, back-to-back printing option is used to reduce the paper requirement and subsequent waste generation.

One sided printed papers reused for faxes, draft etc. Purchase efficient and environmentally sound appliances and consider replacing old stock with 'greener', more efficient alternatives. Ensure that the equipments are regularly serviced

Minimize water consumption:

Repair sources of water leakage, such as dripping taps and showers as quickly as possible. Install appliances which reduce water consumption. Use an efficient and hygienic water storage mechanism to minimize the loss of water during storage.

Efforts for carbon neutrality:

The campus is a PLASTIC FREE ZONE .Use of plastic is not encouraged and recycling is done through proper agencies . The college maintains a medicinal garden and encourages greenery and landscaping on a regular basis.

The SDIP Staff and students involves in green campus initiatives by participating in various programmes like Haritha Haaram and Swach Bharath with the help of NSS Unit.
