Sugamya Pustakalaya

Sugamya Pustakalaya is a collaborative effort of TCS, Daisy Forum of India and NIEPVD (National Institute for Empowerment of Persons with Disabilities), Government of India to end the book famine faced by people with print disabilities.

You can access books in diverse languages from various libraries across India. Sugamya Pustakalaya has also partnered with international agencies like Bookshare and Accessible Books Consortium to provide accessible books from all over the world.

Users can access a collection of over 6,53,234 books, maintain their individual reading shelves online and also download books in chosen formats.

Sugamya Pustakalaya is a facilitating platform for producers of accessible content to jointly work in producing and providing accessible books to people with print disabilities.

Publishers can also collaborate with Sugamya Pustakalaya to publish their content in accessible formats.

Resources for the Blind and Visually Impaired

Digital resources are critical for effective education, skilling, independent living and research. The links to resources are organized as:

- **Educational Resources:** These come in various forms. Audiobooks, Braille books, eBooks, and Podcasts being the primary. Large prints are the other. We list various free and paid sources ranging from worldwide to India specific
- **Information and Other Resources:** Braille Libraries, YouTube Channels, Magazines, TEDx talks keep use informed
- **Research Resources:** Vision Atlas of the world and India Vision Atlas are comprehensive multi-view data sources for study and research

Help

Are you finding it difficult to access/navigate through the contents/pages of this Portal? This section attempts to help you have a pleasant experience while browsing this Portal.

Accessibility

We are committed to ensure that the site is accessible to all users irrespective of device in use, technology or ability. It has been built, with an aim, to provide maximum accessibility and usability to its visitors.

Best efforts have been put to ensure that all information on this website is accessible to people with disabilities. For example, a user with visual disability can access this website using assistive technology, such as screen reader. Users with low vision can use high contrast and font size increase options. This website meets level AA of the Web Content Accessibility Guidelines (WCAG) 2.0 laid down by the World Wide Web Consortium (W3C).

If you have any problem or suggestion regarding the accessibility of this Site, please send a feedback to us.

Screen Reader Access

Our visitors with visual impairments can access the site using Assistive Technologies, such as screen readers.

Following table lists the information about different screen readers:

Screen Reader	Website	Free / Commercial
Screen Access For All (SAFA)	https://lists.sourceforge.net/lists/listinfo/safa-developer	Free
Non Visual Desktop Access (NVDA)	http://www.nvda-project.org	Free
System Access To Go	http://www.satgo.com	Free
Thunder	http://www.webbie.org.uk/thunder	Free
WebAnywhere	http://weblight.cs.washington.edu/	Free
Hai	http://www.yourdalphin.co.uk/productdetail.asp?id=5	Commercial
JAWS	http://www.freedomscientific.com/Download/JAWS	Commercial
Supernova	http://www.yourdalphin.co.uk/productdetail.asp?id=1	Commercial
Window-Eyes	http://www.gvwire.com/Window-Eyes/	Commercial

Viewing Information in Various File Formats

The information provided by this Web site is available in various file formats, such as Portable Document Format (PDF), Word, Excel and PowerPoint. To view the information properly, your browser need to have the required plug-ins or software. For example, the Adobe Flash software is required to view the Flash files. In case your system does not have this software, you can download it from the Internet for free. The table lists the required plug-ins needed to view the information in various file formats.
