Details of activities that inculcate values necessary to render students in to responsible citizens

SREE DATTHA INSTITUTE OF PHARMACY(SDIP) celebrates various days of national importance and organized several awareness programs to sensitize students and employees to the constitutional obligations: values, rights like Republic day, KARGIL VIJAY DIWAS, International volunteers day to promote volunteering and to raise awareness of the important role volunteers, soldiers play in responding to challenges facing the world

SDIP on a regular basis organizes various activities for inculcating human values, and duties as responsible citizens of the Republic of India..Faculty and Students voluntarily participate in programs like Swachh Bharath Abhiyan , Haritha haram promoted by the government of Telangana in coordination with NSS unit, to create awareness about cleanliness in and around the campus.

As a part of Pharmacy week celebrations which is being celebrated every year, the students and faculty take the pharmacist oath . rallies , programs will be organized in the surrounding villages to create awareness among the public about significance of health and hygiene .A few of them are as follows

Program Overview: National Pollution Control Day is observed every year on December 2nd to raise awareness about the impact of pollution on human health and the environment. It also commemorates the victims of the Bhopal gas tragedy, which occurred on this day in 1984, when a chemical plant leaked toxic gas that killed thousands of people and injured many more. The day aims to educate people about the causes and effects of pollution, and to encourage them to adopt eco-friendly practices and technologies to prevent and reduce pollution. It also highlights the need for collective action and cooperation among governments, industries, civil society and individuals to tackle the global challenge of pollution. In this regard the event was inaugurated by the Chairman of the institute, **Sri. G. Panduranga Reddy** addressed the audience on the importance of environmental protection. He highlighted the challenges and solutions for reducing air, water and soil pollution. He also urged everyone to adopt eco-friendly practices and contribute to a cleaner and greener future.

Summary of the Event:

The **Sree dattha Institute of Pharmacy** Conducted the National Pollution Control Day on 2nd December-2023 with the theme "Keep Clean Go Green". The aim of the event was to create awareness among the public about the harmful effects of pollution on human health and the environment

The event was inaugurated by the **Chairman of the institute, Sri. G.Panduranga Reddy** Garu, who highlighted the challenges and solutions for reducing air, water and soil pollution. He also urged everyone to adopt eco-friendly practices and contribute to a cleaner and greener future. He also appreciated the efforts of the students and faculty in organizing the program

The Chief guest & Resource Person **Prof. Dr.Venkata Achuta Rao Garu, Dean Academics of Sree Dattha Group of Institutions** delivered a speech on the importance of environmental protection and sustainability. He highlighted the various sources and effects of pollution on human health and natural resources, and urged the students and faculty to adopt eco-friendly practices and habits. He also praised the efforts of our institution in implementing green initiatives such as solar panels, waste management, and organic farming. He concluded his speech by saying that we all have a responsibility to safeguard our planet for ourselves and future generations.

Ph.:+91-8801099936/35, 9393808082,
Email: principalsdip@sreedattha.ac.in,www.sreedattha.ac.in

The Principal of the institute **Dr. B. Chandra Shekar** on this occasion shared his insights on the importance of pollution control and the role of pharmacists in this regard. He said that pharmacists can contribute to pollution control by following good manufacturing practices, disposing of expired or unused medicines properly, promoting eco-friendly packaging and delivery methods, and educating the public about the safe and rational use of drugs. He also urged the students and faculty members of the institute to take part in various activities and campaigns to spread the message of pollution control and prevention. The Vice-principal of the institute, **Dr. U. Sambammoorthy**, addressed the students and faculty on the theme of the event and explained how pharmacists can be trusted partners in health by adopting eco-friendly practices and habits. He also urged the students to uphold the ethics and values of the profession and to serve the society with dedication and compassion.

The event was concluded by **Chairman of the institute, Sri. G. Panduranga Reddy** Garu Sree Dattha Group of Institutions, who was the chief guest for the occasion. He appreciated the institute for organizing such a grand event and congratulated the students and faculty for their enthusiasm and involvement. He also urged everyone to adopt eco-friendly practices and contribute to a cleaner and greener future. The event was a great success in terms of participation, learning, awareness, and recognition. The event also showcased the talent, creativity, and potential of the students and faculty of Sreedattha Institute of Pharmacy

Key outcomes of the Session:

This session on National pharmacy week celebrations was a success, as it achieved the following key outcomes:

1. To raise awareness about the harmful effects of pollution on human health and the environment.
2. To commemorate the victims of the Bhopal gas tragedy that occurred on December 2, 1984.
3. To encourage students and faculty to adopt eco-friendly practices and reduce waste generation.
4. To organize seminars, workshops, and campaigns on topics related to pollution prevention and control.
5. To showcase the research and innovation activities of Sree Dattha Institute of Pharmacy in developing green technologies and products.

Feedback and Evaluation:

On the occasion of National Pollution Control Day, the students of Sree dattha Institute of Pharmacy have expressed their views and suggestions on how to reduce the environmental impact of pharmaceutical activities. They have highlighted the importance of following good manufacturing practices, proper waste management, and green chemistry principles to minimize the generation of pollutants and hazardous substances. They have also emphasized the role of pharmacists and health professionals in promoting rational use of medicines, educating the public about the safe disposal of unused or expired drugs, and advocating for eco-friendly alternatives. The students have demonstrated their awareness and commitment to the cause of pollution control and have urged the government, industry, and society to join hands in this endeavor.

Acknowledgement:

The event was conducted by more than 100 numbers of students and 20 faculty members to raise awareness and promote action against environmental pollution. The students and faculty members participated in poster making, slogan writing, on the theme of pollution prevention and control. The event was a success and received positive feedback from the attendees.

We extend our Heartful thanks:

We are grateful to the organizers of students and faculty members **Dr.Y.Ganesh kumar, Mr.D.Vishwanath, Dr.Y.Ramulu, Mrs.Mary Ratna Anitha** who did a wonderful job of coordinating the event and ensuring its success. We express our sincere gratitude towards our **Hon'ble chairman Sri.G.Panduranga Reddy garu** for his constant support in conducting various events, workshops and seminars

REPORT ON “INTERNATIONAL VOLUNTEER DAY 2023

1. Title of the activity: INTERNATIONAL VOLUNTEER DAY 2023

2. Date and Venue: 5th December 2023 , SDIP

3. Objective of the program: To create awareness among students the importance of volunteers and their contribution to the society

4. Description and Outcome of the program:

International Volunteer Day 2023 was organised by SDIP with the Theme “**THE POWER OF COLLECTIVE ACTION, IF EVERY ONE DID**” in which students and faculty participated. The resource person Dr. P. Roja explained the role of volunteers to protect the society and people in the hour of emergency like natural calamities. She also quoted example citing the role played by the volunteers during **Covid 19** and motivated the students to contribute to the society as a pharmacist as well as citizens of the country.

ACTIVITY REPORT

- 1. Title of the activity:** Republic Day Celebrations
- 2. Date and Venue:** 26th January 2024 Venue SDES Basketball Court.
- 3. Objective of the program:** To Honor the Constitution of The Country
- 4. Description and Outcome of the program:** India got freedom on the 15th August 1947 and became a Republic on 25th January 1950. The new constitution of free India came into force with effect from this day. It is a day of national rejoicing and a red-letter day in our country. The day is celebrated with pomp and show', zeal and spirit, throughout the length and breadth of the country. Total 40 faculty members and 211 students have taken part in this event. The republic day celebration commenced with the warm welcome by Chairman of our institute Shri Pandu Rangareddy who hoisted the national flag. He explained about the greatness of our constitution and also how to abide to it. The flag hosting ceremony was followed by the national anthem in the premises by the patriotic and enthusiastic Sree dattha family members.
